CALLED INADEQUATE

To the Editor of The Inquirer:
With the completion of series
of 12 articles, excerpts from the
"C. I. A. The Inside Story" by
Andrew Tully I am rather prone
to support the thesis of E. Zev
Sussaf of the Embassy of Israel
that the "degree of imagination
involved in Mr. Tully's stories
must be quite fabulously fer-
tile."

With reference to your edi-
torial, "Blue Shield's Medical
Plan for the Aged," allow me
to inform you that majority of
us over 65 consider this plan
together with the plan recently
proposed by the American Hos-
pital Association and Blue Cross
as greatly inadequate.

We are in favor of President
Kennedy's plan to place health
care of the aged under Social
Security.

JOHN DYMICKI,
Vice President of
Adult Health and
Recreation Center,
5th & Allegheny Ave.

Philadelphia.
